**We don't cut corners...
We clean them!**

COMMERCIAL CLEANING

We feel that quality cleaning care and dedicated customer service should be the norm from Class A buildings to one time window washing projects. We provide valued services to hospitals, medical facilities, manufacturing facilities, day cares, professional offices, and LEED certified green buildings. Spotless is Utah's choice for superior and facility cleaning.

We begin with:

- ✔ A FREE property walk with one of our supervisors, making notes of specific requirements and areas that may need particular attention.
- ✔ A detailed cleaning service proposal, outlining a detailed schedule for each task.

WINDOW CLEANING

Spotless' flexibility allows us to develop a custom program for you whether you have one location or many. Our trained window cleaning professionals, reliable staff, and on-time scheduling makes it easy to get your windows looking in top shape.

Services:

- ✔ Commercial and Residential Reliable Scheduling
- ✔ Customized Cleaning Programs
- ✔ Construction Clean-ups
- ✔ Emergency Cleanings
- ✔ Pressure Washing

Being a company focused on green cleaning, we use safe, eco-friendly cleaning solutions.

We are known for being a leader in the business when it comes to waxing and stripping floors. We have a proven work history and only employ professionals that perform to the highest of industry standards. Ask us for a reference!

We offer first class floor cleaning services for all floor surfaces, including:

- ✔ VCT
- ✔ Ceramic
- ✔ Tile
- ✔ Cement
- ✔ Slate
- ✔ Marble
- ✔ No Wax Floors

We use the highest quality waxes and apply the maximum amount of coats for extended wear and improved gloss!

JANITORIAL SERVICES

You have more options with Spotless of Utah as your office cleaning service. As we lead the way in green cleaning with sustainable cleaning solutions, you can feel good about being a part of the solution and using Spotless. With new cleaning methods and advancements in technology, we can help provide a healthier way to clean with high cleaning standards.

GOING GREEN

Benefits of **Going Green**

- ✔ Green cleaning promotes wellness and social responsibility.
- ✔ Green products, equipment, and techniques focus on reducing, reusing, and recycling to improve the quality of the indoor environment.
- ✔ Green cleaning does not use chemical irritants that decrease indoor air quality. Spotless is green certified and uses Green Seal products which are highly effective and recommended by the EPA.
- ✔ Commercial green cleaning increases workplace safety, health, and productivity which can help reduce costs associated with sick leave, health care, and productivity loss.
